

# Invitation

Dear Sir/Madam,

Royal Duyvis Wiener and F.B. Lehmann joined forces in September 2010. The synergy has been very successful; at present we are finalizing the construction of a complete primary cocoa production system with Lehmann roasting, Wiener grinding and Duyvis powder equipment.

To give you the opportunity to share in our success, we invite you to join us for the Lehmann 'Open House' on the 12<sup>th</sup>, 13<sup>th</sup> or 14<sup>th</sup> October, 2011.

**During these open days at the factory in Aalen, Germany, you will have the opportunity to view:**

- The integrated 2&5 Roll Chocolate Refiner; introduced during the recent Interpack. This latest development has been finalized and this stand-alone machine will surprise you by his accuracy.
- The latest cocoa powder processing technology; a flexible solution to grind kibbled cake into cake powder.
- A complete primary cocoa production line, including the Lehmann cocoa bean roasting, sterilizing and winnowing technologies. This line is ready for transport to our customer Bumitangerang in Indonesia.

It will be our pleasure to welcome you during one of the above mentioned open days.

**Visiting Address:**

F.B. Lehmann GmbH, Daimlerstrasse 12-13,  
73431 Aalen, Germany
